

High School Cadets To Stage Military Ball This Evening

The annual military "hop" of the Bisbee high school cadets will be held in the high school auditorium this evening at 8 o'clock. A committee consisting of Leighton Bledsoe, James Carretto and John Cole has had charge of the arrangements, and the whole affair will be under the supervision of R. M. Parks, commandant of cadets.

A novel arrangement of decorations has been worked out in the use of flags and guns to give an appropriate air to the hall. Punch will be served also, and there will be feature dances. Parks will lead the grand march, and following this there will be a "tango" one-step, "cotillon" waltz, and a "camouflage" dance. The cadets will wear their uniforms.

Charge Local Boys Are Entering And Damaging Buildings

Property owners have complained to the police department that boys in various neighborhoods of the city are breaking into vacant houses and doing much damage to property. In some cases, the interior of houses have been practically destroyed, windows broken, wall paper torn, and paint and floors scratched and damaged. The police request that both teachers and parents warn boys against committing such acts of vandalism. Any boys that are caught entering vacant houses will be dealt with severely.

Highland Park Road Repaired By Local Movie Corporation

Extensive repairs have been made on the road leading into Highland Park by a gang of Mexicans, employed by the Border Film Corporation, and a good road now leads to the studio. The troupe took "sets" in Tombstone over the last week end and has been working in the Highland Park studio all of this week.

"The Only Girl," the picture now being made, will be finished this week and a new scenario started Tuesday or Wednesday. The name of the new picture has not yet been announced but it will be another Saturday Evening Post story by W. R. Lighton.

Charges U. S. News Correspondents Not Given Square Deal

WASHINGTON, May 12.—A resolution demanding for American news paper correspondents in Ireland the same courtesy and consideration given British newspapermen in the United States was introduced today by Representative Dyer, Republican of Missouri. He charged that the Dublin correspondent of the N. Y. World who was "truthfully reporting conditions," was warned on May 2 by British authorities to keep out of Ireland and that General Strickland "reprimanded and threatened" American newspapermen in Cork the week of April 25 "for honestly reporting atrocities of British military rule," in that section.
